**EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE**

Applicant's communication filed on September 29, 2005 has been carefully studied by the Examiner. The arguments regarding drawing objection is persuasive and the drawing objection is hereby withdrawn.

The following is an examiner's statement of reasons for allowance: there is no prior art that teaches or reasonably suggests the claimed optical module and method for mounting an optical member on a support substrate with all the specific elements and the specific combinations including a plurality of luminous flux converters with plurality of projecting portions along respective peripheries of luminous flux converters wherein the at least two parts of side surfaces of projecting portions are in contact with a groove formed on a support substrate and adhesive agent filled between at least one part of side surfaces of the other projecting portions without contact with the substrate groove and the support substrate as set forth in claims 25 and 30.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Juliana K. Kang whose telephone number is (571) 272-2348. The examiner can normally be reached on Mon. & Thur. 8:00-2:00.

Art Unit: 2874
